Within the framework of your Personal Data processing, access to your Personal Data will be granted only to the authorised employees of the Bank and our counterparties who need it to perform their work duties and who process your Personal Data only in accordance with the Personal Data processing purposes and grounds specified in these Principles in compliance with the technical and organisational requirements for the processing of Personal Data specified in the data protection legal enactments as well as in the Bank's internal legal enactments.

DO WE CARRY OUT AUTOMATED DECISION-MAKING AND PROFILING?

When entering into cooperation or in order to provide services to you as the existing Bank's client, we can make automated individual decisions relating to you. Within the framework of such automated individual decision-making, Profiling can be carried out in the form of Processing of your Personal Data in order to evaluate and predict your financial situation, personal preferences, interests, reliability, and behaviour.

We make automated individual decisions, including carry out Profiling, in relation to your creditworthiness assessment and direct marketing so that, for instance, not to bother you with the sending of faulty offers; instead, having analysed the various types of information available to us, we could make automated predictions as to the offers most appropriate and relevant for your needs.

We carry out Profiling to evaluate whether a product or service is appropriate for your personal preferences and needs, assess risks and give lending service-related advice to you, offer products and services to the specific segmented client groups.

For instance, in calculating the credit limit that the Bank could offer you, the Bank's system automatically analyses information relating to you, such as loan history, habits that we have identified in connection with the use of our services or information that we are authorised to obtain from third parties. It allows us to carry out faster, more efficient and better decision-making based on our knowledge about you. If as a result of such Personal Data Processing and after the Bank's automated system has evaluated your Personal Data, your submitted loan application is rejected or you are offered a loan interest rate which you consider to be too high, you have the right not to rely on the automated decision of the Bank's system but, having contacted us, give your own opinion and receive an explanation from the Bank regarding the automated decision taken as well as request that the automated decision taken be reviewed involving our employees in the decision-making process.

DO WE TRANSFER YOUR PERSONAL DATA OUTSIDE THE EU/EEA?

We ensure that your Personal Data is stored in the territory of the European Union and the European Economic Area.

Given the global nature of financial services and technological solutions and to process your Personal Data for the purposes specified in the Principles, for the provision of individual services your Personal Data may be transferred for Processing to the Personal Data receivers located outside the European Union and the European Economic Area, for instance, if their services are provided by a counterparty (processor, separate controller, joint controller). Any such international transfer of Personal Data is done in compliance with the requirements of the Regulation, and in such cases we will ensure the procedures provided for by the legal enactments for securing the level of Personal Data Processing and protection which is equivalent to that specified in the Regulation.

When transferring your Personal Data outside the EU and the EEA, we will observe at least one of the below conditions:

- transfer to a country recognised by the European Commission as a country providing the appropriate Personal Data protection level; if the European Commission has decided that the territory of a particular country or separate sectors or the respective international organisation provides an adequate level of protection for your Personal Data. You may obtain general information about the decisions taken by the European Commission on the European Commission's website http://ec.europa.eu/justice/data-protection/international-transfers/adequacy/index_en.htm;
- transfer to a country or international organisation providing appropriate guarantees between public authorities or bodies;
- transfer in accordance with the supervising authority's authorisation relating to contractual clauses between the controller or processor and the controller, processor or the recipient of the personal data in the third country or international organisation;
- if your explicit Consent to the transfer of Personal Data has been received;
- transfer is required to execute the contract entered into by and between you and the Bank;
- transfer is required to enter into a contract between us and the processor or a separate controller, joint controller for your benefit or performance of the contract;
- transfer is required to exercise or protect legitimate rights and interests, file claims (for instance, for the purpose of legal proceedings).

HOW LONG DO WE STORE YOUR PERSONAL DATA?

The period for which we store your Personal Data depends on the purposes for which we process it and under which criteria we assess your Personal Data storage periods.

When determining your Personal Data storage periods, we assess:

- the need to store your Personal Data to ensure performance of a valid service contract;
- the need to store your Personal Data for the Bank to fulfil its legal obligations, for instance, within the 8-year period stipulated in the Law of the prevention of money laundering and terrorist financing and within the different storage periods specified in other legal enactments;
- storage of your Personal Data to safeguard our interests in different claims in case of termination of business relationships with you, for instance, 10 years in accordance with the general limitation period for liability;
- our legitimate interests or those of a third party that might be offended in the event of erasure of your Personal Data, for instance, with respect to your right to restrict data processing;
- the need to store your Personal Data in order to provide proof of the legitimate Processing of Personal Data in the previous period, for instance, your Consent to the previous Processing operations;
- if your Personal Data Processing is performed based on the Consent, until your Consent for the respective Personal Data Processing purpose is in force given that there is no another basis for the Processing of your Personal Data.

If, in the course of the assessment, we identify different reasonable periods for storing your Personal Data, for instance, between the statutory storage period and the timeframe for protecting our interests, this will be a reasonable basis to store your Personal Data for a longer period.

If one or more of the specified criteria occur, we will ensure that your Personal Data is deleted or anonymised.

WHAT ARE YOUR RIGHTS IN RELATION TO THE PERSONAL DATA PROCESSING CARRIED OUT BY US?

Within the framework of complying with the requirements of the legal enactments governing the privacy and personal data protection, we guarantee you the right, after you have submitted a written request to us:

- **to withdraw your Consent to the Processing of your Personal Data** at any time, having informed us about that via:
 - Online Banking;
 - application;
 - email;
 - in person at our client service centres.

In some cases, for instance, in order to offer our products and services to you and ensure that you receive other notifications, prior to sending them, we will ask you to fill out the respective form (via our Online Banking, application or in person at our client service centres) to give your Consent to the Processing of your Personal Data for the purpose of getting such notifications and offers.

Once you have withdrawn your Consent to the Processing of your Personal Data for the intended purpose, we will no longer process your Personal Data. However, you must take into account that such withdrawal of your Consent will not affect the legitimacy of your Personal Data Processing before the withdrawal of the Consent.

- **to access your Personal Data** and get from us:
 - confirmation or rejection of whether we process your Personal Data or not;
 - information relating to your Personal Data that we process;
 - additional information relating to the Processing of your Personal Data in order to verify the accuracy of your Personal Data and whether we process your Personal Data in accordance with the requirements of the legal enactments.

In some cases, we may ask you to define the scope of your request more accurately to specify in more details as to what information and to which Processing operation the request applies as well as explain the justification of the request.

In cases where this is not permitted by the legal enactments, we will not be able to provide you with any information about the Processing of your Personal Data, for instance, within the framework of the Law of the prevention of money laundering and terrorist financing we are prohibited to inform you about the provision of information to the Financial Crime Investigation Service; also, if information is provided to law enforcement institutions, court.

- **to rectify your Personal Data** if you reasonably believe that your Personal Data is inaccurate as well as, taking into account the purposes for which your Personal Data is processed, to supplement incomplete Personal Data.

In the event of any change in your Personal Data as well as if you have identified that we are processing inaccurate or incomplete Personal Data, please inform us of the need for rectifications. In this case, the Bank is entitled to request you to submit documents supporting rectifications.

- **to erase Your Personal Data**, if:
 - you believe that it is no longer required or unusable for the initial purposes of Processing of your Personal Data;
 - you reasonable believe that your Personal Data is processed illegitimately, for instance, for the purpose of receiving notifications and offers since you have withdrawn your Consent

based on which we were processing your Personal Data, and we have no other basis to process your Personal Data;

- erasure of your Personal Data is specified in the data storage periods determined for us in the legal enactments.

We will ensure that your Personal Data available to us is erased, including erased by our counterparties, if Personal Data is no longer necessary for the purposes for which we were processing it. We will not be able to ensure that your Personal Data is erased if we need to ensure such Processing in the cases stipulated by law providing for the information or document storage periods which, for instance, are set out in the Law of the prevention of money laundering and terrorist financing. Likewise, the Bank is entitled to refuse to erase your Personal Data if it requires disproportionate effort.

- **to restrict processing of your Personal Data**, if:

- you dispute the accuracy of your Personal Data; the restriction will only apply to the time at which we will be able to verify the accuracy of your Personal Data;
- you believe that the processing of your Personal Data is illegitimate and you object to the erasure of Personal Data requesting instead to restrict the use of Personal Data; the restriction will only apply to the period specified by you on reasonable grounds;
- we do not need your Personal Data anymore but it is necessary for you to exercise or defend legitimate rights and interests, raise claims, etc.; the restriction will only apply to the period specified by you on reasonable grounds;
- you object to the processing of your Personal Data that we do based on our legitimate interests but the restriction will only apply to the period during which we carry out a reassessment of such legitimate interests.

By exercising said rights, we will still have the right to process your Personal Data, for instance, in order to exercise or defend legitimate rights and interests, raise claims, rights of another natural person or legal entity. We will ensure that your Personal Data available to us and our counterparties is restricted if this does not require disproportionate efforts from us.

- **to transmit your Personal Data** which we have obtained from you based on the Consent and the established contractual obligations and which we process using automated means for personal use or handover to another service provider if there is no any hindrance to such transmission of Personal Data. Please be advised that information subject to your Personal Data portability may also contain third parties' Personal Data; therefore, we will assess the impact of such Personal Data transfer in relation to the rights and freedoms of third parties.
- **to object to the Processing of your Personal Data** which is based on the legitimate interests of the Bank. The Bank will immediately terminate such Processing but only for the period while the Bank carries out an assessment and does not demonstrate compelling legitimate grounds for the Processing of Personal Data overriding your interests, rights and freedoms. The Bank will have the right to process Personal Data if this is required to exercise or defend legitimate rights and interests, raise claims (for instance, for the purpose of legal proceedings).

You will not be able to exercise such your right if you gave your Consent to the Processing of your Personal Data, or we will need the Processing of your Personal Data for the purpose of entering into or performance of a contract, or for the Bank to fulfil its legal obligations.

- **to refuse from the automated individual decision-making, including Profiling**
With regard to the automated individual decision-making, including Profiling, which can have legal consequences for you, including negative consequences, such as the automatic rejection of your online loan application, you have the right not to be subject to a decision based on

automated processing, including Profiling, requesting to involve the Bank's employee to review such automated individual decision-making. You will be entitled to the latter right in the cases when we will need it to enter into or perform a contract with you, in the cases specified by law as well as you will have given your explicit Consent to such processing of your Personal Data.

How to submit the request?

You may submit your request:

- in person at our client service centres, having presented your ID document (passport or ID card), where you will be given all required information in relation to the submission of your request, including answers to unclear issues;
- via email, having signed the request with a secure electronic signature;
- via Online Banking.

Upon receipt of your request, we will evaluate it and, if need be, ask you to specify the scope of your request as to what information and to which processing operation it applies as well as ask to explain the justification of your request.

How long will we consider your request?

We will give you the answer to your request without undue delay no later than within one month from receipt of your request; if need be and taking into account the scope of your request, we have the right to extend the term for execution of the request by two months. In this case, we will inform you about the reasons for extending and delaying the term within one month from the date of receipt of the request.

How will we provide information to your request?

We will ensure that you obtain information in relation to your requests by visiting our client service centres, via encrypted electronic mail, Online Banking taking into account, as far as possible, the mode to receive the replies to requests specified by you.

Will you be charged for the consideration of your request?

Your request will be considered free of charge.

However, if we find out that you submit requests repeatedly, your requests are obviously unreasonable or excessive, we, taking into account the administrative costs associated with the provision of information or communication or the performance of the requested activity (including employee resource costs), request a reasonable fee for the consideration of your request in accordance with the approved Fee Schedule, or we will refuse to execute your request, having informed you about that in advance.

WHAT TO DO IF YOU BELIEVE THAT WE HAVE VIOLATED YOUR RIGHTS WHILE PROCESSING YOUR PERSONAL DATA?

We ensure the Processing of your Personal Data in accordance with the requirements of the Regulation, other legal requirements of the European Union and the Republic of Latvia, and these Principles; however, if you believe that in the Processing of your Personal Data we have violated your right to privacy, in order to protect your statutory interests you are entitled to file a complaint with the Bank, Data State Inspectorate or bring legal action in accordance with law.

HOW DO WE ENSURE THE SAFETY OF YOUR PERSONAL DATA?

We guarantee non-disclosure and security of your Personal Data by taking appropriate technical and organisational measures, ensuring physical and environmental security of your Personal Data, limiting the access rights to your Personal Data, encrypting your Personal Data, providing computer network protection, personal device protection, data backup and other protection measures, thus also protecting your Personal Data against unauthorised access, use or disclosure.

Within the framework of Processing of your Personal Data, access to your Personal Data is restricted to our authorised employees and authorised employees of our counterparties who need it for the performance of their work duties and who process your Personal Data in compliance with the technical and organisational requirements for the Processing of Personal Data specified in the legal enactments.

The service providers (processors) to whom we have entrusted the Processing of your Personal Data have, prior to the commencement of cooperation, been thoroughly assessed and informed about the set of measures that they must take to ensure the Processing, confidentiality and protection of your Personal Data in accordance with the requirements of the legal enactments.

To ensure qualitative and prompt fulfilment of the obligations under the contract entered into with you, we may authorise Citadele Group companies or counterparties to execute specific tasks or provide services. If, in the performance of these tasks, Citadele Group companies or counterparties process your Personal Data available to us, the respective Citadele Group companies or counterparties are considered to be the processors, and we have the right to transfer your Personal Data to Citadele Group companies or counterparties to perform said activities to the extent required to do that.

Our counterparties and Citadele Group companies will ensure that your Personal Data processing and protection requirements are fulfilled in accordance with the legal enactments and that they will not use your Personal Data for other purposes.

HOW TO CONTACT US?

Should you have questions relating to the Processing of your Personal Data, please contact us either by emailing to info@citadele.it or to our designated data protection officer at dap@citadele.it.

HOW WILL WE PROVIDE THE LATEST INFORMATION ABOUT YOUR PERSONAL DATA PROCESSING?

To ensure that the most recent information about the Processing of your Personal Data is always available to you, we, in accordance with the requirements of the legal enactments, will make sure that these Principles are reviewed and updated on a regular basis.

Therefore, we encourage you to read, from time to time, the latest version of the Principles on our website, at client service centres and via e-mail. We will notify you of amendments to the Principles one month prior to their entry into force.
