The Amount of Loss does not include the cost of improvements, if any, made to the goods compared with the state of the goods before the insured event; the cost of repairing defects that existed before the event and the cost of repairing defects that would have been incurred even if the event had not happened. If the purchase is only partially covered by another insurance policy, We will deduct the amount to be reimbursed under the other insurance policy from the final amount We calculate. If the purchase is not covered by any other insurance policy, Citadele Purchase Insurance is considered the main insurance contract. If, after concluding the purchase insurance contract, You subsequently cover the purchase with another insurance policy, the purchase insurance contract will automatically be treated as a secondary insurance contract.
33. No insurance payment shall be made if the payment would violate the regulation of trade, economic or other sanctions or embargoes imposed by the European Union or international organisations, or any other national or international legislation applicable to the insurance activity. We will not provide insurance coverage, pay insurance payments, or provide other services if it violates any international sanctions (financial, economic, trade,

etc.), regulations, and decisions of authorities authorised by the United Nations, the European Union or the United States of America (if in accordance with national laws).

34. We will not pay the insurance payment if, for any reason, You do not provide a bank transaction statement and a legible and complete fiscal receipt or invoice in support of the purchase. This means that any other means, such as a bank statement, certificate or other, cannot be used to support the purchase.

35. We have the right to refuse or reduce the payment of the insurance payment in the following circumstances:

35.1. You have missed the deadline for notifying us of the occurrence of the event, and We are unable to ascertain the circumstances of its occurrence and the exact Amount of Loss, or the Amount of Loss may have been increased as a result of the failure to comply with this obligation.

35.2. You fail to comply with Our written instructions, including those provided in these Terms and Conditions, avoid cooperation, obstruct the clarification of the circumstances of the event, mislead or seek to obtain unjustified insurance payment, e.g., by stating facts that are not true, by stating inaccurate and/or incomplete circumstances of the event or by submitting forged documents.

You must provide a bank transaction statement, invoices, receipts for purchases, proof of the Amount of Loss, and the fact of purchase. In the event of fire, theft, or deliberate acts by third parties, You must provide evidence of the incident from the fire service or police.
